

KENTMASTER SC-550 PORK SCRIBE SAW

DESCRIPTION

This air saw, with its integrated cut-depth control gauge, can perform the exact operation repeatedly without risk of over-cutting, and without risk to the operator. It can cut up to 1.5-inch depth. Also, being pneumatic, its blade stops almost instantaneously when the trigger is released, allowing for quick sterilization, without risk of shock to the operator.

PRODUCT FEATURES

- + Designed for on-the-rail or table-top operations
- + For up to 1,500 pork sides per hour
- + Cuts through tough bone quickly for greater productivity
- + Adjustable stainless steel depth gauge for accurate control of depth of cut
