

STAINLESS STEEL HYDRAULIC PISTON STUFFERS

Affordable, Dependable, Powerful Hydraulic Piston Stuffers

Our stainless steel piston stuffers have won thousands of satisfied customers worldwide as a result of their affordability, dependability, and gentle processing.

Depending on your production goals, you may choose from one of two models – 50 lb. or 100 lb. capacity – to produce fresh sausage, ground meat and poultry, beef jerky, and a variety of cheese, dough, pasta, and seafood fillings.

INCREASE YOUR PRODUCT VERSATILITY:

- » Using Straight Fill Horns, this knee lever operated, variable speed unit can produce a variety of products. One set of three stainless steel horns is included (1/2-in., 3/4-in., and 2-in. outside diameter)

OPTIONS:

- » This Volumetric Portioner is ideal for accurate weight packaging of ground products, cheese, cookie dough, etc. It is adjustable from .5-oz. to 17-oz. per stroke. Multiple strokes allow for larger portions
- » The Colosimo's Press™ quickly and easily extrudes product such as ground and formed beef, jerky, or skinless sausages. Fifteen forming dies are available to choose from

STAINLESS STEEL HYDRAULIC PISTON STUFFERS

OUR HYDRAULIC PISTON STUFFERS FEATURE:

- » Hands free operation through use of conveniently located knee lever to control stuffing action
- » Adjustable speed and pressure
- » Assortment of three straight fill horns for product versatility (1/2-in., 3/4-in., and 2-in. outside diameter)
- » Easily removable piston and lid gaskets for quick and easy cleaning
- » Drain hole in bottom of cylinder for easy washdown
- » Design that makes oil changes easy, plus replaceable oil filters

OPTIONS INCLUDE:

- » Volumetric portioner – ideal for accurate weight packaging of products such as, ground meat and poultry, cheese, and dough. Creates unit portions ranging in weight from .5 to 17 ounces per stroke
- » Colosimo's Press™ – quickly and easily extrudes products such as ground and formed beef, jerky, or skinless sausages. Works with fifteen different forming dies
- » Stainless steel stuffing tables – available in 56-in., 68-in., and 80-in. lengths
